

Statement issued by Mr. E. Ahamed
National President of Indian Union Muslim League &
MOS External Affairs

The Congress-DMK alliance in Tamil Nadu was on the verge of collapse and the Muslim League have been approached by the well-wishers of both the Parties to intervene at this crucial juncture. In consultation with my party colleagues in Tamil Nadu I tried my very best to patch up the differences between the main two partners of the alliance. With the generosity of my colleagues in Tamil Nadu, I was able to patch up and to overcome the impasse maintaining the coalition of the Democratic Front intact in Tamil Nadu which contains Congress, DMK, Muslim League, PMK and other parties. Muslim League always strive hard to maintain the unity and strengthen the secular forces in best interest of the Nation.
